Revolution

Worth Dying For

Lord I'll say these words out loud.
And from my heart.
I love You more than life itself.
But that's not all.

You're the Savior of my life.
You're the One that I lift high.
You're the only one who can save this world today.

Today will be the day I give it back to You.
Today will be the start of a revolution.

Lord I'll say these words out loud.
And from my heart.
I love You more than life itself.
But that's not all.

You're the Savior of my life.
You're the One that I lift high.
You're the only one who can save this world today.

Today will be the day I give it back to You.
Today will be the start of a revolution.
Today will be the day I give it back to You.
Today will be the start of a revolution.

We are the sound of a revolution.
We won't back down, 'til a revolution.
We are the sound of a revolution.
We won't back down, 'til a revolution.

You're the Savior of my life.
You're the One that I lift high.
You're the only one who can save this world today.

Today will be the day I give it back to You.
Today will be the start of a revolution.
Today will be the day I give it back to You.
Today will be the start of a revolution.

We are the sound of a revolution.
We won't back down, 'til a revolution.
We are the sound of a revolution.
We won't back down, 'til a revolution.

Today, today, today, today,
today, today, today, today,
today, today, today, today,
today, today, today, revolution.
