Too Rude

Carmen Rizzo

Too rude
To say you're sorry
Too rude
Just say you're leaving me
I can't pretend that I don't mind
So I'm
The better woman now.
Well you could scream out
But no ones listening
And to me your silence is deafening
I can't pretend that I don't mind
So I'm the better woman now
Too rude
Too rude
Just say you're sorry
Just say you're sorry
Just say you're leaving me
