

Heartbreaker

[Steve Aoki](#)

Corner of my eye
See you looking fine and dandy
I know you plain it cool
Corner of my eye
See you looking fine and dandy
I know you playing it cool
But I'm not a fool
Don't you want to run with me and share the first kiss
Come with me, come with me
Won't you let me be your heartbreaker, yeah
Silly me and silly you
Silly for speaking the truth
What else in the world could we ever do
Other than what we want to
I can see it in your eyes you stand and stare
No truth or dare
I like to believe I know what you're thinking
Something I like I can hear you thought dripping
Dripping, drippin', drippin'
Would you let me be your heartbreaker, yeah
Boy meets girl in a rock show
Holds the hands of whom, you dont know
Get ready to implode the only heart you know
Boy meets girl in a rock show
Holds the hands of whom, you dont know
Get ready to implode the only heart you know
Boy meets girl in a rock show
Holds the hands of whom, you dont know
Get ready to implode the only heart you know
