Don't Look Back

[Peter Tosh](#)

If it's love that you're running from
There is no hiding place
Just your problems, no one else's problems
You just have to faceIf you just put your hand in mine
We're gonna leave all our troubles behind
We gonna walk and don't look back
Gonna walk and don't look backNow if your first lover let you down
There's something that can be done
Don't kill your faith in love
Remembering what's become, oh noSo if you just put your hand in mine
We're gonna leave all our troubles behind
Gonna walk, don't look back
We gonna walk and don't look backIf you just put your hand in mine
We're gonna leave all our troubles behind
We gonna walk and don't look back
Keep on walking, walking don't look backPlaces behind you
There to remind youIf your first lover broke your heart
Something can be done
Gonna heal your faith in love
Remembering what's been doneBut if you just put your hand in mine
We're gonna leave all our troubles behind
Gonna walk and don't look back
Gonna walk and don't look back
Gonna walk and don't look backHow far you been walkin' now
About 100 miles
You still got some more to walk
I know, I got a little more to go
I'm gettin' kind of tired but I got to keep on walkin'
I'm walkin' barefoot, you know
Keep on walkin', walkin' don't look back
And keep on walkin', keep on walkin', don't look back
And keep on walkin'
