

# God Only Knows (feat. Geoff Gascoyne)

**Jamie Cullum**

I may not always love you.  
(As) long as there are stars above you,  
You'll never need to doubt it.  
I'll make you so sure about it. God only knows what I'd be without you.  
If you should ever leave me,  
Life would still go on- believe me.  
The world would show nothing to me,  
So what good would living do me?  
God only knows what I'd be without you. God only knows what I'd be without you.  
If you should ever leave me,  
Life would still go on- believe me.  
The world would show nothing to me,  
So what good would living do me?  
God only knows what I'd be without you. God only knows what I'd be without you. (x5)
