

Crush

Dave Matthews & Tim Reynolds

Crazy how it feels tonight.
Crazy how you make it all alright love
Crush me with the things you do
And I do for you anything too
Sitting smoking feeling high
And in this moment it feels so right
Lovely lady
I am at your feet
God I want you so badly
And I wonder this
Could tomorrow be
So wondrous as you there sleeping
Let's go drive 'till morning comes
And watch the sunrise to fill our souls up
Drink some wine 'till we get drunk
It's crazy I'm thinking
Just knowing that the world is round
And here I'm dancing on the ground
Am I right side up or upside down
And is this real or am I dreaming
Lovely lady
Let me drink you please
I won't spill a drop, no, I promise you
Lying under this spell you cast on me
With each moment
The more I want you
Come on you know you crush me
Baby
It's crazy I'm thinking
Just knowing that the world is round
And here I'm dancing on the ground
Am I right side up or upside down
Is this real or am I dreaming
Lovely lady
I will treat you sweetly
I adore you
I mean you crush me
And it's times like these
When my faith I feel

And I know just how I love you
Come on, go ahead and crush me
Baby
It's crazy I'm thinking
just as long as you're around
And here I'll be dancing on the ground
Am I right side up or upside down
To each other we'll be facing
By love,
By love
We'll beat back the pain we've found
You know
I mean to tell you all the things I've been thinking deep inside
My head
with each moment the more I love you
Come on go ahead and crush me
Baby
So much you have given oh
That I would give you back again and again
Oh you know that I
Mean when I hold you
But please please just let me
Always...
