All For Nothing

Lullacry

When You Come Crawling
Into My Dreams
That's All I've Left
Or So It SeemsI Can't Erase You
From My Memory
I Think I'm Ready
For Eternity'cause Of You I've Cut My Wings
Peace For Me it Hopefully Brings
I'm In This Pain, I Craved For Love In VainI Never Wanted To
Burn My Bridges Down
Gasping For Air
I'm Left To Drown
