

# Lipstick

## Jedward

You say you're on it but you just don't know  
You're spending money like you're on death row  
You must have been mis-educated  
By all the guys that you dated  
You think I'll take the bait but I don't think so  
Oh Am I headed for a car crash?  
Ohhhh  
I'm just about to meet my match, she takes the  
Ohhhh  
I'm about to fall in head first  
Sisters let me tell you how it works  
HEY! She's got her lipstick on  
Here I come, da da dum  
She's got her lipstick on  
Hit and run, then I'm gone  
Check my collar, collar, hey, hey, ey  
Check my collar, collar, hey, hey, ey  
Oooohh, Oooohh You look at me and I got you in mind  
I come on over see what I could find  
No appetite for delusion  
I could've win what I'm losin'  
You're saying yes when it is no, no, no, no  
Ohhhh  
Am I headed for a car crash?  
Ohhhh  
Is this about to be my next, she takes the  
Ohhhh
