All She Can See

Dishwalla

I've never, I've never known such pure madness
And for her it's all she can see
I've never, I've never known such pure madness
And for her it's all she can seeHow she laid low, laid low on the floor
How she yelled no, how she yelled with all of her heart no, no
Still it's all she can seeHow the pain ran deep
How she holds her eyes to the ground
What a waste of soul, what a wasteNever, never, never will she live without it
Think about it, can she live without it?
Never will she live without it, noStill it's all she will see, no more, no more
No, no, no moreStill it's all, it's all, all she can see
Still it's all, it's all, all she can see
Still it's all, it's all, it's all she can see
