

Let the Lower Lights Be Burning

[Johnny Cash](#)

Brightly beams our Father's mercy from his lighthouse evermore
But to us he gives the keeping of the lights along the shore
Let the lower lights be burning, send a gleam across
the wave
Some poor fainting struggling seaman, you may rescue you may save
Dark the night of sin has settled loud the
angry billows roar
Eager eyes are watching longing for the lights along the shore
Let the lower lights be burning, send a gleam
across the wave
Some poor fainting struggling seaman, you may rescue you may save
Trim your feeble lamp my brother, some
poor sailor tempest tossed
Trying now to make the harbor in the darkness may be lost
Let the lower lights be burning, send a gleam across
the wave
Some poor fainting struggling seaman, you may rescue you may save
