

# Meet On the Horizon

## Badly Drawn Boy

Just tell me  
Don't keep it from me  
You need me  
Just like I need you We met here  
On the horizon  
There's a place there  
Where we can go We go there  
Just to be there  
We don't know  
If it's still the same But without it  
We might not be here  
These things matter to me  
Do they matter to you?
