

All Guns Blazing

Judas Priest

Twistin' the strangle grip, won't give no mercy
Feelin' those tendons rip, torn up and mean
Twistin' the strangle grip, won't give no mercy
Feelin' those tendons rip, torn up and mean
Blastmaster racks the ground, bent on survival
Full throttle hammers down, a deadly scream
All guns, all guns blazing
All guns, all guns blazing
Forced into overdrive, drawn out of anger
All talons poison dipped impaling spike
Heart pounding fever pitch blood pumping fury
Two fisted dynamo eager to strike
All guns, all guns blazing
All guns, all guns blazing
Cross cutting thundercharge, blade of destruction
Flame throwing hurricane, destroys the cage
Bone crushing alien, God of salvation
Sad wings that Heaven sent, wipes out in rage
All guns, all guns blazing
All guns, all guns blazing
All guns, all guns blazing
All guns, all guns blazing
