

# Hollywood Blues

## Bad Livers

In Hollywood, I've Got The Hollywood Blues  
It Ain't No Good To Walk The Soles Off Your Shoes  
And Livin' Here On The First Light Of Day  
It Ain't Too Clear All The Things They Make You Say  
Mister Conductor Take Me To The End Of The Line

My Mama Said Don't Cry I'll Hold You Bye And Bye  
If You Don't Find Your Way  
I'm Waitin' For The Break Of Day

(Chorus)

If You Don't Leave My Mind  
Aw Honey You're There All The Time  
If Love Is Understood  
You Ain't Doin' Me No Good

(Chorus)

(Chorus Instrumental)

If I Can't Find My Way  
Just Find Me A Brighter Day  
Like The Lonesome Setting Sun  
I Said Darlin' You're The One

(Chorus)

If You Could Read My Mind  
I'm Lonesome All The Time  
My Chest Is Up With Love  
You Ain't Doin me No Good

(Chorus(

(Verse Instrumental)

(Chorus Instrumental)
