# All I Wanna Do (innocent Girl Mix)

## Dannii Minogue

All I wanna do...

Take a look inside my heart
Tell me what you think you see
I may not be the innocent girl
That you wanted me to be

Some nights I just wanna lover
Some nights I don't need a friend
Some nights I just need somebody
To hold me 'till the end
Because

All I wanna do
All I wanna do
All I wanna do is touch you
All I wanna do
All I wanna do
All I wanna do is touch you
All I wanna do is touch you
All i wanna do is touch you

Take a look inside my heart
Tell me what you think you need
You may not see the innocent girl
That you keep inside your dreams
(Because)

Some nights I just wanna lover
Some nights I don't need a friend
Some nights I just need somebody
To hold on 'till the end
Because

All I wanna do
All I wanna do
All I wanna do is touch you
All I wanna do
All I wanna do
All I wanna do is touch you

All I wanna do
All I wanna do
All I wanna do is touch you
All I wanna do
All I wanna do
All I wanna do is touch you

All I wanna do is touch you [x4]

Take a look inside my heart
Tell me what you think you see
I may not be the innocent girl
That you wanted me to be

Some nights I just wanna lover
Some nights I don't need a friend
Some nights I just need somebody
To hold me 'till the end
Because

All I wanna do
All I wanna do
All I wanna do is touch you
All I wanna do
All I wanna do
All I wanna do is touch you
All I wanna do
All I wanna do
All I wanna do is touch you
All I wanna do
All I wanna do
All I wanna do is touch you

All I wanna do, All i wanna do, All I wanna do... [x4]

All I wanna do
All I wanna do
All I wanna do is touch you
All I wanna do
All I wanna do
All I wanna do is touch you
All I wanna do
All I wanna do
All I wanna do is touch you
All I wanna do
All I wanna do
All I wanna do

All I wanna do is touch you
