

# Don't Let Me Bleed

Glenn Hughes

I only wanted to be with you  
And I just want you to know  
That I can still hear your promises  
In the fire glowI need a shot of some Novocain  
You twist the knife in my back  
I feel the blood rushin' to my brain  
There's an overflowDon't let me bleed  
Don't let me bleed, no no no  
Don't let me bleed  
Now how could I be such a fool?  
You tell me, I've got no pity for youI heard a tale from a friend of mine  
As he was crossing my path  
He whispered words from the gallery  
It's still haunting meToo many seasons behind the door  
You are a curse, now it's holy war  
But there will be no resentment here  
This is meant to beDon't let me bleed  
No, don't let me bleed  
Don't let me bleed  
Now how could I be such a fool?  
You tell me, I've got no pity for youDon't let me bleed  
Do-do-don't let me bleed  
Don't let me bleed  
Now how could I be such a fool?Don't let me bleed  
Don't, don't let me bleed  
Don't let me bleed  
Now how could I be such a fool?  
You tell me, I've got no pity for you  
You tell me, I've got no pity for youI can still hear your promises  
Oh yeahI feel it, feel it, feel it, feel it  
Feel it, feel the blood rushin' to my brain  
And I hear, yeah yeah  
Oh, yes I didTell me your seasons are coming, oh  
Tell me your seasons are coming, ohWhy did you have to be so cruel?  
Oh yeah  
Hey, yeah yeah yeah yeahHow could I be such a fool?The sweetest love can sometimes go bad, oh yeah  
The sweetest love sometimes, [Incomprehensible] bad  
I said, "Oh yeah yeah"  
I said, "Oh yeah yeah"

I said, "Ooh yeah yeah"Can you hear me, it starts to me as such  
And I don't know what I gonna do, yeahWalk on by, walk on  
    Oh yeah, just walk on  
    Don't let me bleed  
    Don't let me bleedThis was your [Incomprehensible]
