

I'm Coming Home to Stay

Fleetwood Mac

i'll be coming home soon baby please be waiting outside your door
i'll be coming home soon baby please be waiting outside your door
when i get back with you baby you know i ain't going to leave any more
when i get on that train baby you'll know it won't be long
when i get on that train baby you'll know it won't be long
i'll give you all the love little darling i've had in store for you since i've been gone
i ain't going to leave no more little girl this time i'm coming home to stay
i ain't going to leave no more little girl this time i'm coming home to stay
i'm going to give you a no good mother every night and every day
