

In This for You

Chrisette Michele

Come over my man's crib
candles by the moonlit windows
Barry on the CD
Lavender and Rose leaves
Dinner by the fireplace
Cajun Salmon my baby made it
I love when my baby's with me
I'm so glad he loves me
Money comes and money goes
Baby chases money like it's going outta style
Is the paper chase worth while?

You makin money, keepin me comfy
I wish you could see you are all I need

I just need my guy, lost what's on my side
ladders we can climb
That's what it is babe, I'm in this for you
take a train or drive, we don't need no ride
Flashy ain't my style
That's what it is babe, I'm in this for you

Call me from the office babe
work is crazy, sleepless nights
I wish you were here by my side
I want you more than money
took a day off from the game
took me to the movies, dinner
not like when I'm with my winner
I love it when you're with me
Holdin close to teddy bear
nights without you feel so lonely
wishin you was here to hold me
love means more than money

You makin money, keepin me comfy
I wish you could see you are all I need

I just need my guy, lost what's on my side
ladders we can climb

That's what it is babe, I'm in this for you
take a train or drive, we don't need no ride
Flashy ain't my style
That's what it is babe, I'm in this for you

Nothing compares to how you hold me (nothing compares to you)
Nothing compares to how you love me, Oh baby (nothing compares to you)
It's you I need, No not the dough oh! (it's you I need oh)

You makin money, keepin me comfy
I wish you could see you are all I need

I just need my guy, love was on my side
ladders we can climb
That's what it is babe, I'm in this for you
take a train or drive, we don't need no ride
Flashy ain't my style
That's what it is babe, I'm in this for you (2x)
