No-Yes

Queen Latifah

It's been too long since you kissed me
Do you want me or is you gonna leave it alone
I'm so tired of this driving
Throw my head, I will see youNo, yes, you gonna see me
No, yes, you gonna see me
No, yes, you gonna see me
No, yes, you gonna see meIf it's real nada see the truth
The reality is real recognizeNo, yes, you gonna see me
No, yes, you gonna see me
No, yes, you gonna see me
No, yes, you gonna see me
