

Time Stands Still

Cut Copy

Time stands still when I think of you
Time stands still when I think of you
I know a place where we can go
I know a place where we can go
I know a place where we can go
I know a place where we can go
Time stands still when I think of you
Time stands still when I think of you
Time stands still when I think of you
Time stands still when I think of you
When I think of you
When I think of you
Think of you
When I think of you
