Rest Of My Life

Xscape

Suddenly it happened so fast
I couldn't believe the news that I received
My heart stopped as I hit the floor
I fell to my knees crying, "Lord help me"
No matter what time brings
All the changes we go through
In life there's some things
We just can't prepare for
I don't care what they say
Don't care what they do
I don't care what they think
I'm gonna love you
For the rest of my life
Don't they know
True love never dies
I promise to love you
For the rest of my life
Life goes on, that's what they say
Time will heal all your pain away
But I feel, feel so alone and
Now you're gone, how can I live on?
No matter what time brings
All the changes we go through
In life there's some things
That we just can't prepare for
I don't care what they say
Don't care what they do
I don't care what they think
I'm gonna love you
For the rest of my life
Don't they know

True love never dies
I promise to love you
For the rest of my life
Until I see you again
I'll hold on to sweet memories
I'll treasure the times we spent
I see I'd do anything

I see your face, I see your smile
Calling out my name
I don't care what they say
Don't care what they do
I don't care what they think
I'm gonna love you
For the rest of my life
Don't they know
True love never dies?
I promise to love you
For the rest of my life
I don't care what they say
Don't care what they do
I don't care what they think
I'm gonna love you
For the rest of my life
I don't care what they say
I don't care what they do
What they think
'Cause I promise, I promise
To love you
For the rest of my life
(For the rest of my life)
