

My Best Days Are Ahead of Me

[Danny Gokey](#)

Blowing out the candles
On another birthday cake
Old enough to look back
And laugh at my mistakes
Young enough to look at the future
And like what I see
My best days are ahead of me
Life hasn't always been a party
But mostly, it's been good
There's only one or two things
That I'd change if I could
I don't get lost in the past
Or get stuck in some sad memory, yeah
My best days are ahead of me
Age ain't nothing but a number
Sometimes I have to wonder
What does it really mean?
But hey, I'm still putting it together
I keep getting better, if I keep getting better
I can be whatever I want to be
My best days are ahead of me
Age ain't nothing but a number
Sometimes I have to wonder
What does it really mean?
Hey, I'm still putting it together
I keep getting better, if I keep getting better
I can be whatever I want to be
My best days are ahead of me
I've got sunsets to witness
Dreams to dance with
Beaches to walk on
And lovers to kiss
There's a whole lot of world out there
That I can't wait to see
My best days are ahead of me
My best days are ahead of me
