Nobody to Love (Extended Mix)

Sigma

I know you're tired of loving, of loving
With nobody to love. Nobody, nobody!
Just grab somebody, no leaving this party
With nobody to love. Nobody, nobody!
oohI know you're tired of loving, of loving
With nobody to love. nobody, nobody!
just grab somebody, no leaving this party
With nobody to love. nobody, nobody!I know you're tired of loving, of loving
With nobody to love. nobody, nobody!
So just grab somebody, no leaving this party
With nobody to love. nobody, nobody!I know you're tired of loving, of loving
With nobody to love. nobody, nobody!
So just grab somebody, no leaving this party
With nobody to love. nobody, nobody!
