Heaven On Their Minds

Total Eclipse

My mind is clearer now - at last all too well
I can see where we all soon will be
If you strip away the myth from the man
You will see where we all soon will beJesus! You've started to believe the things they say of you
You really do believe this talk of God is true
And all the good you've done will soon get swept away
You've begun to matter more than the things you sayListen Jesus I don't like what I see
All I ask is that you listen to me
And remember - I've been your right hand man all along
You have set them all on fire
They think they've found the new Messiah
And they'll hurt you when they find they're wrongI remember when this whole thing began
No talk of God then - we called you a man
And believe me - my admiration for you hasn't died
But every word you say today
Gets twisted round some other way
And they'll hurt you if they think you've liedNazareth your famous son should have stayed a great unknown
Like his father carving wood - he'd have made good
Tables, chairs and oaken chests would have suited Jesus best
He'd have caused nobody's harm - no-one alarmListen Jesus do you care for your race?
Don't you see we must keep in our place?
We are occupied - have you forgotten how put down we are?
I am frightened by the crowd
For we are getting much too loud
And they'll crush us if we go too farListen Jesus to the warning I give
Please remember that I want us to live
But it's sad to see our chances weakening with every hour
All your followers are blind
Too much heaven on their minds
It was beautiful but now it's sour
Yes it's all gone sour
