Alabama

Mick Taylor

I been living in big hotels
Hopin' and prayin' for something else
Only halfway through Louisiana
On my way home to AlabamaIt gets lonely, you've no idea
And baby, sometimes I'm close to tears
Only halfway through Louisiana
On my way home to AlabamaI've been living in big hotels
Hopin' and prayin' for something else
Only halfway through Louisiana
On my way, way home to Alabama
