

Teardrops

Joss Stone

Whenever I hear goodbyes
Remind me baby of you
I break down and cry
Next time I'll be true, yeah
Fever for lost romance
Remind me baby of you
I took a crazy chance
Next time I'll be true
I'll be true
I'll be true
Footsteps on the dance floor
Remind me baby of you
Teardrops in my eyes
Next time I'll be true, yeah
Whispers in the powder room
She cries on every tune
Every tune
Every tune
And the music
Don't feel like it did
When I felt it with you
Nothing that I do or feel ever feels like
I felt it with you
That I do or feel ever feels
When I'm dancin` around
Remind me baby of you
I really let you down
Next time I'll be true, yeah
I took a crazy chance
She cries on every tune
Every tune
Every tune
Footsteps on the dance floor
Remind me baby of you
Teardrops in my eyes
Next time I'll be true, yeah
Whispers in the powder room
She cries on every tune
Every tune

Every tune
And the music
Don't feel like it did
When I felt it with you
Nothing that I do or feel ever feels like
I felt it with you
Hurting deep inside

She cries on every tune
I break down and cry
She cries on every tune
Every tune
Every tune
Footsteps on the dance floor
Remind me baby of you
Teardrops in my eyes
Next time I'll be true, yeah
Whispers in the powder room
She cries on every tune
She cries on every tune

Every tune
Every tune
And the music
Don't feel like it did
When I felt it with you
Nothing that I do or feel ever feels like
I felt it with you
And the music
Don't feel like it did
When I felt it with you
Nothing that I do or feel ever feels like
I felt it with you
And the music
Don't feel like it did
When I felt it with you
Nothing that I do or feel ever feels like
I felt it with you
And the music
Don't feel like it did
When I felt it with you
Nothing that I do or feel ever feels like
I felt it with you
And the music
Don't feel like it did
When I felt it with you

Nothing that I do or feel ever feels like

I felt it with you

I felt it with you

I felt it with you

Nothing that I do or feel ever feels like

I felt it with you

I felt it with you

I felt it with you

Woh ooh oh ooh

Woh ooh oh ooh

Woh ooh oh ooh

Woh ooh oh ooh
