

# Jealousy

Roy Woods

[Verse 1]

This time's not done, but I'm drinking now  
Unless they find ya', intertwine with me  
She don't like what's she's forced to see  
But I could've got started on her  
She knows what I'm putting on her  
Girl I stay high, never sober  
You could of stayed but it's over[Chorus]  
Cause you're so jealous of me  
Oh you're so jealous of me, jealousy over me  
Why you so jealous, why you so jealous?  
Why you catchin' feelings, why you catchin' feelings?  
Why you so jealous, why you so jealous?  
Why you catchin' feelings, why you catchin' feelings?  
Why you so jealous, why you so jealous?  
Why you catchin' feelings, why you catchin' feelings?  
Jealousy over me[Verse 2]

I been runnin' the stage, you cannot tell me I am fake  
My main girl still the realest shit, love me when they say I ain't shit  
She gon' spend her cash when I'm broke  
She gon' whip through the six and more  
'Member the days we ain't had no home?  
Oh mom, I gotta show these niggas what's good  
Mama, there ain't no bringin' me down  
Soldier in this bitch, I'm gunnin' them down  
King with no crown, they still gon' look at me now  
I been too drunk, I'm way too fucked  
How you think I'm singing this shit my dog  
I am not normal, you do not know what I'm on  
Money callin' up in the party, you know  
I been turnt up in the club in the max  
This is my life nigga don't you forget[Chorus]  
Cause you're so jealous of me, jealousy over me  
Why you so jealous, why you so jealous?  
Why you catchin' feelings, why you catchin' feelings?  
Why you so jealous, why you so jealous?  
Why you catchin' feelings, why you catchin' feelings?  
Why you so jealous, why you so jealous?  
Why you catchin' feelings, why you catchin' feelings?

Jealousy over me, jealousy over me
