

# The Sickening Dwell

## Asphyx

Stench of Death welcomes  
you  
In a crypt of agony  
Dwelling in morbid thoughts  
Awake, forgotten misery  
Crawling maggots paradise  
Rats consuming flesh  
Hanging stiff on hooks  
In the statement of his Eden  
Searching for the truth  
Root of life  
Sickening experience  
Reaper's knife  
Sick, evil, god, The  
abomination  
Right, wrong, human  
Beast, angel, divine, morbid  
revelation  
Labyrinth of mind
