Step Down

D-Railed

Step down
Come onIn the underground, integrity lies within
In the underground, the image doesn't mean a thing
When the substance lack, plain for all to see
If the deal is right then respect is where it should be
It should be, it should be, it should be, rightFor the fakes and frauds it's a fucking fashion show
Total compromise will have them sell their soul
All the negative, all the useless influence
All the emptiness, all the violent detriment
Makes no sense, makes no sense, makes no sense, noPlease have more, more to give, more to give
Fashion and images, images
Please have more, more to give, more to give
Than fashion and images, imagesCaught up in a trap of media crap, God, that's no way to live
Caught up in a trap of media crap so little to give
Caught up in a trap of media crap that's no way to live
Caught up in a trap of media crap so little to give
Let's go, nice and loudIn the underground, integrity lies within
In the underground, image doesn't mean a thing
We can do away with this negativity
It's a golden day, we can force them to step down
Step down, step down
Get down mother fuckerFuck it
