

Jungle Bae (feat. Bunji Garlin)

Skrillex & Diplo

Hands up, hands up
Everybody now, let me see your hands up
Everybody now, let me see your hands up
Everybody now, let me see your hands up, right now

Time to get off in the room

Hands up, hands up
Everybody now, let me see your hands up
Everybody now, let me see your hands up
Everybody now, let me see your hands up, right now

Time to get off in the room

Hands up, hands up
Everybody now, let me see your hands up
Everybody now, let me see your hands up
Everybody now, let me see your hands up, right now
