

# Underneath the Waves (live)

## Strapping Young Lad

on and on, it's on and on  
on and on, it goes on and on  
and no one knows why, no one knows why  
a new time, with new ways  
new thought, a new age on and on, it's gone on and on  
on and on, it goes on and on  
say goodbye! say goodbye! say goodbye! say goodbye!  
no one knows why, no one knows why  
a new time, with new ways, new thought, a new age I'm tired of waiting  
I'm tired of fighting  
I'm tired of waiting for fucking nothing  
I'm sick of lying  
I'm sick of trying  
I'm tired of waiting for fucking nothing tired of hating, bored of dying  
tired of waking from the dreams of morningsick of trying, sick of whining  
tired of waking from the dreams of morning I'm tired of waiting  
I'm tired of fighting  
I'm tired of waiting for fucking nothing  
I'm sick of lying  
I'm sick of trying  
I'm tired of waiting for fucking nothing they're underneath the waves...  
they're underneath the waves...  
...underneath the fucking waves...  
...they're underneath the waves...
