Keep Trying (Egypt Mix)

Classy Silhouette

Don't give up Keep Trying Even when it's tiring
Don't give up Keep Trying Even when it's tiring
Always Keep Trying
Always Keep Trying
Don't Give Up Keep Trying Even When It's Tiring
Always Keep Trying
Always Keep Trying
There will be times when
It will seem like
Life isn't worth it
But honey don't give up the fight
There will be times when
It seems the pain will never end
But Honey even when all your friends
Have turned their backs on you
And even when your money's spent
But it didn't buy a thing for you
Keep Trying Even when it's tiring
Keep Trying Don't give up keep trying
Keep Trying Never Let em see you down
(don't give up keep trying even when it's tiring)
(always keep trying, always keep trying)
Keep Trying Even when no one's around
Never Let em see you down
Don't Give Up Keep Trying Even when it's tiring
Always Keep Trying
Always Keep Trying
Everyday when you get up
Let the sun shine in
Cuz even if you have messed up
Understand it's not the end
So never let em see you down
Never let make you frown
Keep Your Head looking up
It will Bring you better luck keep trying
Sticks and Stones may break my bones
But names will never hurt me
I see you bit one of my songs
But lyrics don't exert me

Now that you know I'm here
Let's just get one thing clear
You beef but I'm not scared
I'm not going anywhere
You cant get rid of me
Don't you see I'm meant to be
Don"t let the money blind you
Your attitude decline you
You don't make me You don't break me
You can't take my pride
You can't fake me or remake me
You can't break my stride
You can't erase me nor replace me
Don't you see I'm meant?
God ordained my existence my mark is permanent
Now that you know I'm here
Let's just get one thing clear
You beef but I'm not scared
I'm not going anywhere
You can't run me away
Oh yes I'm here to stay
God ordained my existence
My mark is permanent permanent permanent permanent
Don't give up Keep Trying Even when it's tiring
Always Keep Trying
Always Keep Trying
Don't Give Up Keep Trying Even When It's Tiring
Always Keep Trying
Always Keep Trying
