

Believer

Christina Milian

Life is what you make it
At least that's what they say
Well, I think I'm gonna make it
Fulfill my dreams one day
I feel this fire growing
Deep inside of me
I'm so inspired knowing
That it's my destiny
I breathe like a champion
I dream I'm a champion
I see I'm a champion
It's meant to be
My will's getting stronger
I can't wait any longer
I'm singing a song
That's inside of me
'Cause I'm a believer
I know that I can make it
No matter what they say
So I'm a believer
The future is now
It starts today
I keep my head up
Believer

Everyday I'm waiting
Trying to find the patience
So close, I can taste it
But sometimes it's so hard
But I'm gonna keep on pushing
And I'm gonna keep on fighting
And I'm gonna keep on trying
Because I come too far
I breathe like a champion
I dream I'm a champion
I see I'm a champion
It's meant to be
My will's getting stronger
I can't wait any longer

I'm singing a song
That's inside of me
'Cause I'm a believer
I know that I can make it
No matter what they say
I'm a believer
The future is now
It starts today
The future is now
It starts today
