My Promise

Houston

Yeah, I just wanna reassure you
How I feel about you, girl
Come on I'ma take you away
On a smooth ride to ecstasy
Let me sit you down, take your hands so I can talk to you
I never felt the way I do when I'm next to you, you
If you were a flower you'd be a red rose, baby
I give you my word now and forever, ooh
This I promise you
I'll be there for you now and forever more
This is my promise, this I promise you
I'll be your best friend now and forever more
This is my promise to you
Most guys wouldn't say the words that I'm sayin' to you, oh no
But I' m not afraid to show compassion and be real with you, baby
And nothin' in this world can ever
Come between me and you, you, you, oh no
I give you my word now and forever, oh yeah
This I promise you
(This I promise you)
I'll be there for you now and forever more
(Forever more)
This is my promise, this I promise you
(Promise you)
I'll be your best friend now and forever more
(Ever more)
This is my promise to you
Baby, I need you, I feel love same way too
Nothin' I wouldn't do, just so I can stay with you
Baby, I love you, I'm fully committed to you
Nothin' I wouldn't do, just to stay in love with you
This I promise you
(I promise you, girl)
I'll be there for you now and forever more
(Hey, forever more)
This is my promise, this I promise you
(This is my oh yeah)
I'll be your best friend now and forever more
(Beautiful)

This is my promise to you
This I promise you
(Yeah)
I'll be there for you now and forever more
This is my promise, this I promise you
(This is, this is, yeah, I'ma promise though)
I'll be your best friend now and forever more
(I'ma love you)
This is my promise to you
I might give out, what would I mean, I might give out
