Where Can You Be

Jimmy Reed

Ev'ry sixty second, of ev'ry minute
Ev'ry sixty minute, of the hour
Ev'ry twenty-four hours of the day
I just sit a-round an'prayWonder where, oh where can you be?
I wonder, where, well babe
Won't you come on home to me?Ev'ry seven days, of the week
Ev'ry four week, of the month
Ev'ry twelve month, of the year
I just sit an' wish, you was hereI wonder where, well where can you be?
I wonder where, well baby
Please come on home to me
