

# Don't Ever Say Never

## Immature

Don't ever say never, da da  
My heart is for you, oh baby Just don't ever say never  
Don't ever say never Although, it may seem  
That you're livin' in a fairy tale  
You can't give up on your dreams  
I can see  
All the things you think you can be  
Don't ever say never Just don't ever say never, da da  
You can have it all  
But you cannot be denied  
Don't ever say never, da da  
You can reach the sky  
Just don't let it pass you by  
Don't ever say never, here's why  
You'll never know until you try Sometimes, you may feel  
That your hopes and your dreams  
You cannot achieve (Just believe)  
Just believe (What you see)  
What you see  
You can reach me I'll want any one piece  
Don't ever say never Just don't ever say never, da da  
You can have it all  
But you cannot be denied  
Don't ever say never, da da  
You can reach the sky  
Just don't let it pass you by  
Don't ever say never, here's why  
You'll never know until you try Give it all you can, one time, you gotta try  
I'm tellin' you now, you won't be denied  
I know it may be hard  
But you will survive  
As long as you stay true  
To what you feel inside Just don't ever say never, da da  
You can have it all  
But you cannot be denied  
Don't ever say never, da da  
You can reach the sky  
Just don't let it pass you by  
Don't ever say never, here's why

You'll never know until you try  
Give it all you can, one time, you gotta try  
I'm tellin' you now, you won't be denied  
I know it may be hard  
But you will survive  
As long as you stay true  
To what you feel inside  
Give it all you can, one time, you gotta try  
I'm tellin' you now, you won't be denied  
I know it may be hard  
But you will survive  
As long as you stay true  
To what you feel inside  
Give it all you can, one time, you gotta try  
I'm tellin' you now, you won't be denied  
I know it may be hard  
But you will survive  
As long as you stay true  
To what you feel inside  
Give it all you can, one time, you gotta try  
I'm tellin' you now, you won't be denied  
I know it may be hard  
But you will survive  
As long as you stay true  
To what you feel inside  
Give it all you can, one time, you gotta try  
I'm tellin' you now, you won't be denied  
I know it may be hard  
But you will survive  
As long as you stay true  
To what you feel inside
