

Sir Duke

Stevie Wonder

Music is a world within itself
With a language we all understand
With an equal opportunity
For all to sing, dance and clap their handsBut just because a record has a groove
Don't make it in the groove
But you can tell right away at letter A
When the people start to moveThey can feel it all over 2x
But they can feel it all over people
They can feel it all over
They can feel it all over people, no, yeahcoz i like when see when your looking
at me when your pasting from the mirrorno eyes when a backer phone
and the people start to linger
For there's Basie, Miller, SatchmoAnd the king of all Sir Duke
And with a voice like Ella's ringing out
There's no way the band could looseYou can feel it all over
You can feel it all over people
You can feel it all over
You can feel it all over peopleYou can feel it all over
You can feel it all over people
You can feel it all over
You can feel it all over people
Yes I'll do, yeah, yeahYou can feel it all over
You can feel it all over people
You can feel it all over
You can feel it all over peopleYou can feel it all over
You can feel it all over people
You can feel it all over
I can feel it all over, all over now peopleCan't you feel it all over?
Come on let's feel it all over people
You can feel it all over
Everybody all over people, go
