

Last Legal Drug (le Petite Mort)

Korn

Put your hand against your skin, rub it gently to begin
You feel it, can you feel it?
When does pleasure become pain?
When does sex become insane?
You say it as you feel it When you cum, be a good girl
Hold your breath, make it last long
It's a mess
And it's gone
The little dead girl So please, when you die could you scream
"Mercy mercy" for you and me?
It's true what they say
Fucking for love might be the last legal drug So please, when you cry, let it flow
I might make you stay or let you go
It's true what they say
Fucking for love might be the last legal drug Push that one more time
That's all as the rain begins to fall
You feel it, can you feel it?
People who ain't seen shit been telling you that it's a sin
You say it as you feel it Hold your breath, make it last long
It's a mess,
And it's gone
The little dead girl So please, when you die could you scream
"Mercy mercy" for you and me?
It's true what they say
Fucking for love might be the last legal drug So please, when you cry, let it flow
I might make you stay or let you go
It's true what they say
Fucking for love might be the last legal drug Le petite mort
Oh yes
So please, when you die could you scream
"Mercy mercy"?
