

# Becoming the Bull (Radio Edit)

[Atreyu](#)

Come on!!!  
Grab the bull by the horns the old addage goes.  
Nobody tells you where to go from there.  
I see whats grateful in you.  
Decisions have to be made.  
The the best half is the hardest earned.  
Back and forth the struggle consumes us all.  
Trying to keep a level head.  
In the most unsettling of times.  
Today I'll become the bull.  
There is so much to stake.  
I'll stumble I'll loose my place.  
Crowded in while surrounded by sin.  
Destiny takes its hold.  
Fight it or let it go.  
But I choose how the day will end.  
Back and forth the struggle consumes us all.  
Trying to keep a level head.  
In the most unsettling of times.  
Today I'll become the bull. [x2]  
This small heart can get lonely.  
I lose myself inside myself.  
No one can touch you when you're outside staring in.  
Remove myself from this rat race.  
Back and forth the struggle consumes us all.  
Trying to keep a level head.  
The most unsettling of times.  
Today I'll become the bull. [x5]
