

# Shoo Be Doo

Macy Gray

No words, explain it  
Babe, I don't know how to say it  
But it makes me shout I don't know, how to say  
Baby, ain't no word for this  
I'm gonna shout it out Ooh, I'm hesitating  
Don't know how to tell you  
That I, I'm contemplating  
Walking out on you But it's so hard  
It's so much that I like about you  
At the same time I hate ya  
You're always taken me through, yeah Ch-ch-ch-changes and all your rages  
Is more than love  
And I don't know what you call this No words explain it  
But I don't know how to say it  
But it makes me shout I don't know how to say  
Baby ain't no word for this  
I'm gonna shout it out Ooh, I finally say it  
You'll leave me before I leave you  
Oh, my heart can't take it  
I'm running after you But it's so hard, it's so much  
That I wanna do to you  
At the same time I should shake ya  
You're always putting me through, yeah Ch-ch-ch-changes and all your rages  
Is more than love  
I don't know what you call this No words explain it  
Babe, I don't know how to say it  
But it makes me shout I don't know how to say  
Baby, ain't no word for this  
I'm gonna shout it out Baby, you're taken  
Whatever its name is  
Ooh, it's blowing up my heart Ch-ch-ch-changes  
Baby, I'll t-t-t-take them  
Ooh, ooh, ooh, yeah, ain't not words for this No words explain it  
Babe I don't know how to say it  
But it makes me shout I don't know how to say  
Baby, ain't no word for this  
I'm gonna shout it out No words explain it  
Babe, I don't know how to say it  
But it makes me shout I don't know how to say

Baby, ain't no word for this  
I'm gonna shout it out
