

Whatever

Godsmack

Advisory - the following lyrics contain explicit language:

And I wonder day to day

I don't like you anyway

I don't need your shit today

You're pathetic, in your own way I feel for you, better fuckin' go away

I will behave, better fuckin' go away I'm doing the best I ever did

I'm doing the best that I can

I'm doing the best I ever did I don't need to fantasize

You are my pet, all the time

I don't mind if you go blind

You get what you get

Until you're through with mine Life, I feel for you, better fuckin' go away

I will behave, you better go away

I feel for you, better fuckin' go away

I will behave, you better go away I'm doing the best I ever did

I'm doing the best that I can

I'm doing the best I ever did

Now go away! I'm doing the best I ever did

I'm doing the best that I can

I'm doing the best I ever did

Now go away! I'm doing the best I ever did (go away)

I'm doing the best that I can (go away)

I'm doing the best I ever did (go away)

I'm doing the best that I can (go away) I'm doing the best I ever did

I'm doing the best that I can

I'm doing the best I ever did

Now go away! I'm doing the best I ever did

I'm doing the best that I can

I'm doing the best I ever did

Now go away! I'm doing the best I ever did

I'm doing the best that I can

I'm doing the best I ever did

Now go away! (yeah yeah yeah yeah yeah yeah yeah yeah) I'm doing the best I ever did (go away)

I'm doing the best that I can
