

# Blood On Our Hands (Justice Remix)

## Death From Above 1979

I am leaving while you turn away  
In the basement is where I'm going to stay  
There is blood in all the things I say  
Will you hate me if I stay this way?  
From the bedroom, where we're running from  
There's a sequel to the things I've done  
You're a women, we both know it's true  
By the things that I have done to you There is blood on all the shoes you've worn  
From the people you've been stepping on  
There is blood in all the things you say  
I won't hate you if you go away There is blood on our hands again  
From the bedroom is where we will  
Bring it back to the start again  
Bring it back to the love we had I am leaving while you turn away  
In the basement is where I'm going to stay  
From the bedroom, where we're running from  
There's a sequel to the things I've done
