## **No Manners**

## **Teyana Taylor**

We up in the Copacabana I'm good, bitch, you know I been better My hubby-my hubby so handsome I hold him ransom, I hold him ransom And then some I got a man, but ain't got no manners I got a man, but ain't got no manners I got a man, but ain't got no manners Where are you hiding? I need.... We up in the Copacabana I'm good, bitch, you know I been better My hubby-my hubby so handsome I hold him ransom, I hold him ransom And then some I got a man, but ain't got no manners I got a man, but ain't got no manners I got a man, but ain't got no manners Where are you hiding? I need....
