

# Walking in the Wind

## One Direction

[Verse 1]

A week ago you said to me  
"Do you believe I'll never be too far"  
If you're lost, just look for me  
You'll find me in the region of summer stars  
The fact that we can sit right here and say goodbye  
Means we've already won  
The necessity for apologies between you and me,  
Baby, there is none[Pre-Chorus]  
We had some good times, didn't we?  
We had some good tricks up our sleeve  
Goodbyes are bittersweet  
But it's not the end  
I'll see your face again[Chorus]  
You will find me  
yeah, you will find me  
In places that we've never been  
For reasons we don't understand  
Walking in the wind  
Walking in the wind[Verse 2]

Yesterday I went out to celebrate the birthday of a friend  
But as we raised our glasses up to make a toast  
I realized you were missing[Pre-Chorus]  
We had some good times, didn't we?  
We wore our hearts out on our sleeve  
Goodbyes are bittersweet  
But it's not the end  
I'll see your face again[Chorus]  
You will find me  
yeah you will find me  
In places that we've never been  
For reasons we don't understand  
Walking in the wind  
Walking in the wind[Bridge]  
I know we'll be alright, child  
Just close your eyes and see  
I'll be by your side  
Any time you're needing me[Chorus]  
You will find me

yeah you will find me  
In places that we've never been  
For reasons we don't understand  
Walking in the wind  
Walking in the wind  
Walking in the wind
