Hold On

Shawn Mullins

We are the children of God
Whoever he may be, whoever she may be
We go through life feelin' odd
Like a bird inside a cage, no where to pour the rageIt's a mystery I know
To try and figure out what life's gonna throw
We've been around for a while
I know I'll never go as long as I can see youHold on to what we got
'Cause what we got is all we got
Hold on to what we got
'Cause what we got is all we gotWe are the future they say
Whatever comes your way, you gotta make it yours today
And you got nothin' at all
Don't be sorry if you fall, you keep on standin' tallYou've got to pave your own road
And I will carry you if you've got a heavy load
We've been around for a while
There's nothin' you can do to make me wanna loose you childWhat we got is all we got
Hold on to what we got
'Cause what we got is all we gotWe got to hold on, what we got
'Cause it's all we got
Hold on to what we got
'Cause what we got is all we got
Hold on to what we got
'Cause what we got is all we got
All we got, is all we got
