# Fatalist

## Sarah Jaffe

These are the same thoughts that I had yesterday
Oh lady, lady
creature of habit
then swiftly becomes itEither we'll die, we'll die, we'll die, we'll die
without a conscienceEither we'll die, we'll die, we'll die, we'll die
from the obviousPut me to shame
Put me in my placeOh lady, lady
creature of habit
then swiftly becomes itEither we'll die, we'll die, we'll die, we'll die
without a conscience
Either we'll die, we'll die, we'll die, we'll die
from the obvious
