Phoenix Wind

Yeasayer

Time is just a number, it takes you by the hand
And descending like the shepherd dog buried in the sand
Your magnet eyes move fluid in my veins
A Phoenix wind is murdering the planes
?
I kinda feel like, a wind is coming soon
I kinda feel like, the clock is well past doom
The other face of, illusion not as weak
Has been revealed by, the tricks of all asleep
?
When they said when they said your mind could get better
Was a bulb above your head
No more trivial wagers you could turn the tables

Not a single page was read
When they said when they said life would get better
If we
