

Hey Hey Hallelujah

Rachel Platten

I'm turning you up
I'm turning you on
Yeah your head's saying danger, danger
but your heart must be drunk
And I know you don't settle
and I know you're not weak
But I think you can't help it, help it
when it comes to me ooh I really got a hold on you, you're begging me for more
You never seen nobody do the things I do before singing
Hey hey hallelujah, hey hey hallelujah
Yeah I drive you crazy and your heart's about to break
You're begging me for mercy, don't know how much you can take, singing
Hey hey hallelujah, hey hey hallelujah Tonight I'm so cold
not calling you back
But tomorrow we'll cuddle, cuddle
my legs in your lap (you know it)
And your friends tried to warn you
Said she'll tear you apart
she's nothing but trouble, trouble
She's playing you hard I really got a hold on you, you're begging me for more
You never seen nobody do the things I do before singing
Hey hey hallelujah, hey hey hallelujah
Yeah I drive you crazy and your heart's about to break
You're begging me for mercy, don't know how much you can take, singing
Hey hey hallelujah, hey hey hallelujah I don't know what you do to me
Baby don't worry, I'm sugar and sweet
I don't know what you do to me
Baby don't worry, I'm good as can be
I don't know what you do to me
Baby don't worry, I'm sugar and sweet
I don't know what you do to me
Baby don't worry, I'm good as can be I'm singing hallelujah when you touch me
Hallelujah, Jeff Buckley
Coming home to all my clothes out on the street yeah
Five minutes later asking me where we eating
Makin' me feel good when you put me on my knees
And love me like you should
you make me wanna scream Hallelujah, can't win
I don't wanna lose you, all in I really got a hold on you, you're begging me for more

You never seen nobody do the things I do before singing
Hey hey hallelujah, hey hey hallelujah (hey hallelujah)
Yeah I drive you crazy and your heart's about to break
You're begging me for mercy, don't know how much you can take, singing
Hey hey hallelujah, hey hey hallelujah I really got a hold on you, you're begging me for more
You never seen nobody do the things I do before singing
Hey hey hallelujah, hey hey hallelujah (hey)
Yeah I drive you crazy and your heart's about to break
You're begging me for mercy, don't know how much you can take, singing
Hey hey hallelujah, hey hey hallelujah, ujah
