

# Judgement day

## Angra

Inside the cage of your mind  
Waiting for the day  
Just a victim of the guilt  
Living in despair Out on your own in the dark  
Sinners meet the saints  
Bloody river overflows  
You don't really care Setting on fire  
Your own freedom  
Played the hardest game  
Now you will burn  
Your eternal flame Even the brave won't deny  
Evil warns again  
And your conscience isn't safe  
Driving you insane Playing with fire  
Put your freedom  
Through the hardest test  
Don't blame the scare  
On your final day One last minute passes by your soul  
Just one minute lost in the horizon  
You will face the judgement day  
(Scream your voice free to the air)  
Waiting for the judgement day One last minute passes by your soul  
Just one minute lost in the horizon  
One more minute passes by your eyes  
Just one minute last in the horizon Then you face the judgement day  
(Scream your voice free to the air)  
There'll no more time to pray  
(Sweat in pain you are afraid)  
We all face the judgement day
