

I'll Never Say Goodbye

Barbra Streisand

Say goodbye
Why, I can barely say good night
If I can hardly take my eyes from yours,
How far can I go?

Walk away
The thought would never cross my mind
I couldn't turn my back on spring or fall,
Your smile, least of all

When I say always,
I mean forever
I trust tomorrow as much as today
I'm not afraid to say I love you,
And I promise you, I'll never say
Goodbye

We're dancers on a crowded floor
While other dancers live from song to song,
Our music goes on
On and on
And if I never leave your arms,
I really will have traveled ev'rywhere,
For my world is there

When I say always,
I mean forever
I trust tomorrow as much as today
I'm not afraid to say I love you,
And I promise you, I'll never say
Goodbye

If I can barely say good night
How could I ever say goodbye
