

# The Idiot Kings

## Soul Coughing

Everything is going up  
Everything is going as planned, yeah  
Everything moves along  
Everything is fine, fine, fine Well I could be condemned to Hell for every sin, but littering  
Well I could slip on the East River and crash into Queens all skittering  
Well I've seen the cops and the robbers  
And I know they dance the same, well uh  
Well I've seen a half a zillion girls  
And haven't spoken to a single one of them Everything is going up  
Everything is going as planned, yeah  
Everything moves along  
Everything is fine, fine, fine Batting in the light  
My reptile-lidded eyes  
And all this strung end to end  
Is wider than the mind And this cool, I've been playing  
I have been playing too long  
Now my capacities are dwindling  
Till they're gone, gone, gone And I said, "Everything is going up  
Everything is going as planned, yeah  
Everything moves along  
Everything is fine, fine, fine "Baby can I change my mind?  
I just want to change my mind  
Baby can I change my mind?  
I just want to change my mind Everything is going up  
Everything is going as planned, yeah  
Everything moves along  
Everything is fine, fine, fine Everything is fine, fine, fine  
Everything is fine, fine, fine  
Everything is fine, fine, fine  
Everything is fine, fine, fine  
Fine, fine, fine  
Fine, fine, fine  
Fine, fine, fine
